'A History of Britain. Volume II' By Simon Schama. ... but as monarch of Britain. The fancy of a British history had been given fresh authority by William Camden's great compilation of geography ...

'A History of Britain. Volume II' - The New York Times

An excellent first volume of Simon Schama's History of Britain. Funnier than most history books (although not quite in the same league as 1066 And All That), but also it has inspired me into looking a bit more in depth at some other areas of British history.

A History of Britain: At the Edge of the World? 3500 BC-AD ...

A History of Britain - Volume 2: The British Wars 1603 ...

The second volume of Simon Schama's A History of Britain brings the histories of Britain's civil wars - full of blighted idealism, shocking carnage, and unexpected outcomes - startlingly to life. These conflicts were fought unsparingly between the nations of the islands - Ireland, England, and Scotland - and between Parliament and the crown.

A History of Britain, Volume 2: The Wars of the British ...

The story of a country called Britain. The final volume of Simon Schama's epic tale of the history of Britain. The volume links the world to Britain. However, one must remember that Britain was the world. In this volume it starts with the French Revolution and ends with saying goodbye to the world.

A History of Britain: The Fate Of Empire 1776-2000 by ...

This whole series by Schama on the history of Britain is just a terrific review of the history of the greatest nation ever born and the father/mother of modern civilization period. It does not go into depths, but is so well presented that it is easy to attain more in-depth volumes on subjects of particular interest.

a regional history of the railways of great britain: volume II southern england. by White, h p. and a great selection of related books, art and collectibles available now at AbeBooks.com.

Regional History Railways Great Britain - AbeBooks

Visually, "A History of Britain" was in the class of David Attenborough's "Life on Earth" two decades back. The many color illustrations of the published volume are no less spectacular. Nor is this just a matter of visuals. As drama, Schama's narrative -- for film and book alike -- is magnificent.

1066 and All That

The third book in Simon Schama's acclaimed three-volume journey into Britain's past. The final stage of Simon Schama's epic voyage around Britain spans centuries, crosses the breadth of the empire and covers a vast expanse of topics - from the birth of feminism to the fate of freedom.
