The progress in Paediatric Palliative Care in Australia since the first publication of A Practical Guide to Paediatric Oncology Palliative Care in 1999, has been substantial with the continued

development of clinical services throughout Australia, and the on-going review of the quality of those services through the National Standards Assessment Program, [NSAP (<http://www.palliativecare.org.au/Standards/NSAP.aspx>)] which provides a method for each service to benchmark.

Pediatric ulcerative colitis: a practical guide to management.

Introduction. Pediatric heart failure (PHF) represents an important cause of morbidity and mortality in childhood. 1 Etiology and pathogenesis are different between adults and children: the first mainly relates to ischemia (60–70% of cases), the latter as a consequence of congenital heart diseases (CHDs) or cardiomyopathies in most of the cases.2 Hence, managing PHF requires specific knowledge and skills. 3 Presently, there are well-established guidelines for the management of heart ...
