One of America's greatest business enterprises, the Pullman Company provided outstanding service aboard a vast fleet of railroad passenger cars that could be found in almost every nook and cranny of the United States. This illustrated history examines Pullman's diverse fleet, from its spectacular custom-built wooden cars of the nineteenth century to steel heavyweight cars.

~~The Cars of Pullman by Joe Welsh - Goodreads~~

The Pullman Car Company, founded by George Pullman,

## Download File PDF The Cars Of Pullman

was a manufacturer of railroad cars in the mid-to-late 19th century through the first half of the 20th century, during the boom of railroads in the United States. Through rapid late nineteenth century development of mass production, and takeover of rivals, the company developed a virtual monopoly on production and ownership of sleeper cars.
