The Empty Place A Childs Guide Through Grief Lets Talk
When conman Captain Jack Harkness planted a Chula ambulance in 1941 London, the Chula nanogenes, who had never previously encountered humans, infected a dying human boy named Jamie caught in the London Blitz. Assuming that the gas mask he was wearing was part of his face, they "healed" him, and unintentionally created the "Empty Child," a " zombie " based on Jamie's characteristics and injuries at death.

Empty Child | Tardis | Fandom
"The Empty Child" is the ninth episode of the first series of the British science fiction television programme Doctor Who, which was first broadcast on BBC One on 21 May 2005. It was the first episode written by Steven Moffat, who later became the showrunner and main writer of the series in 2010 following Russell T Davies' departure, and was directed by James Hawes. "The Empty Child" is the first of a two-part story, which concluded with "The Doctor Dances", on 28 May. In the episode, the alien
